Welcome to the SNGM campus

The SNGM Campus is situated in a peaceful atmosphere in the Thuravoor panchayat, beside the Vembanad Lake and is close to the NH47 (66) and is well connected to Thuravoor Railway Station. The campus is run by SNGM Educational and Cultural Trust , a unit of the Sree Gokulam Group of Educational Institutions, reflecting the values of the saint and social reformer of Kerala, Sree Narayana Guru. The campus provides total education from the Kindergarten to Graduation level where a CBSE school, Engineering College, Arts and Science College, Catering College and Pharmacy College functions under one roof.

Presently Sree Gokulam Group of education is focusing its attention on upgrading the infrastructure of the campus to make it more student friendly. Modern audio visual teaching aids are being inducted into service to ensure the quality of education.

THE VISIONARIES

Sri. Gokulam Gopalan

Chairman

Sree Gokulam Group of Educational Institutions &
Sree Gokulam Group of companies

I welcome all aspiring youngsters to the SNGM Campus. I assure you all the necessary infrastructure and academic environment in the campus in tune with international trends and standards, that you can face challenges of your future endeavour with the fragrance of humanistic values.

Sri. P. Sanakan

President

SNGM Educational &
Cultural Trust

I whole heartedly welcome all bright young minds to the campus, which will ensure you a successful future by providing you a quality education, disciplines life and inspiring you to greater heights of glory.

HOSTELS

The concept of keeping the hostel as a 'home away from home' is our goal and for this all efforts are being made. Food service in the hostel is homely and the inmates will have their say in deciding the menu. With a parental attitude, hostel warden and the resident tutors are always ready to hear and solve the problems faced by the inmates.

TRANSPORTATION

Students can avail the superb transport facility offered by the campus. College vehicles ply at proper timings in all important routes.

LIBRARY

Apart from the libraries in the individual institutions, a central library is maintained in the campus which is gradually developed into a multi-disciplinary resource center. Books, periodicals and a wide range of national and international journals are made available here for all the students and staff in the campus.

CANTEEN

A modern and well-maintained canteen, satisfying most of the food habits is an attraction of the campus. Conceived with an idea of minimizing food wastage, the canteen provides a peaceful and happy dining experience at minimum possible expenses.

OUR FACILITIES

PLACEMENT CELL

Job hunting is no more a strain of the pass outs. Placement cell of the campus has tie-ups with lots of employers and can definitely help them to find and get themselves placed in suitable positions.

HUMAN RESOURCES DEVELOPMENT PROGRAMME

This is a programme functioning in the Arts and Science College. The programme involves training in essential soft skills for students, members of the staff and public. Communication skills, training in gaining International Certification in English language like IELTS, Group discussion and Interview skills, essential Computer skills, training in Basic Accountancy etc, form this essential survival kit of soft skills. Yoga and meditation sessions are integral features of the programme.

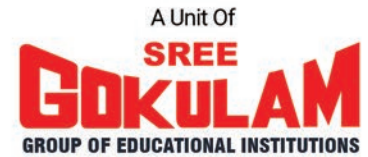

(Approved by the AICTE & Affiliated to the APJ Abdul Kalam Technological University)

K R GOURI AMMA COLLEGE OF ENGINEERING

Valamangalam South P.O. Thuravoor, Cherthala, Alappuzha, Kerala – 688 532
Ph : 0478 2560 702, 94471 37 363

The K. R. Gouri Amma College of Engineering was established in 2009, by the Sree Narayana Guru Memorial Educational and Cultural Trust, Thuravoor, Cherthala, Alappuzha, which currently functions as a Unit of the Sree Gokulam Group of Institutions.

The College came into existence as a result of the exertion of a large number of desired well wishers who wanted a global quality Engineering College to impart value-based and discipline oriented modern technical education of high standards. The campus

is situated in a calm pollution free environment near to NH-47, between Cherthala & Alappuzha. The College is equipped with state-of-the Art facilities and infrastructure, enabling the students to develop their knowledge and skills in a perfect environment. Extended academic support by class room discussion, group discussion, debates, mock examinations and expert seminars are our priorities. The College provides ideal settings for moulding young minds to mature professionals who can contribute much for the progress of our country.

OUR VISION

To become a centre of Excellence in learning that will generate future leaders in emerging fields of engineering.

OUR MISSION

To nurture global leaders by imparting knowledge through quality education with the ambience of a world class Institution. It will mould leading professionals in engineering.

QUALITY POLICY

We shall endeavor to be a centre of academic excellence by providing quality education. We try to create a cadre of competent and committed intellectuals and professionals at all levels through total quality approach.

OUR MOTTO

Excellence through knowledge and dedication

Why KRGCE...

- Qualified & Well Experienced Teaching Faculties.
- Scholarships for Meritorious Candidates.
- Full fledged Placement Department.
- Separate Hostel for Boys & Girls.
- Air-conditioned Labs.
- Ever growing Library, well stocked with Standard Books and National & International journals.
- Counselling Facility
- Wi-Fi Campus

Under Graduate (B.Tech)Courses

Duration of Course : 4 Years
(8 Semesters)

- Civil Engineering : 90 Seats
- Electronics and Communication Engineering : 90 Seats
- Computer Science Engineering : 60 Seats
- Information Technology : 60 Seats

Courses Offered

B.Tech COMPUTER SCIENCE & ENGINEERING (CSE)

The department of Computer Science and Engineering [CSE] was established in 2009. It instills confidence among the students to make themselves experts in the field of computers. It also enables them to occupy a place of prominence in IT industries globally. The students ought to do a project on or off-campus in the final year with an option to choose their platform and thus they are exposed to the real time computer problems which will mould them to conquer the challenging IT world.

B.Tech INFORMATION TECHNOLOGY (IT)

The department offers B.Tech. (IT) programme, which combines faculties with expertise in various fields and good laboratory facilities for imparting knowledge to the students. This enables students to face the challenging needs of the industry. The department conducted several national level workshops, Seminars, Conferences, etc. Our Department faculty members have published their research work in Reputed national/international Journals. Our faculty members are involved in various research works.

B. Tech CIVIL ENGINEERING (CE)

The department of Civil Engineering has been in existence since 2009 and has grown into a fully fledged department offering courses leading to B.Tech (4 years) in Civil Engineering. The department has well qualified faculties and supporting staff in areas such as Structures, Geotech, Construction & Management, Environmental and Transportation Engineering. The department places special emphasis on engineering automation. The students will be exposed to advanced computing techniques used for analysis and design.

B. Tech ELECTRONICS & COMMUNICATION ENGINEERING (ECE)

The department is teamed with an Excellent Infrastructure, Competitive Faculties and an active student association. It offers an outstanding opportunity for budding professionals to polish their skills and outperform their competitors. The department offers value added courses apart from the regular subjects which will enable the students to acquire marketable skills. Many passed out students of the department are already placed in reputed companies.

Library

Central Library, the back bone of KR Gouri Amma College of Engineering has a user friendly collection of books, periodicals, National & International journals in the field of Engineering. The primary objective of the Library is to provide knowledge and information support services to the College Community.

Transportation Facilities

Daily trips of College buses are available from Ambalapuzha, Alappuzha, Ernakulam (Edapally & Fort Cochin) covering all the nearby towns.

Faculty

Well – Qualified and experienced Faculty Members along with other technical staffs are committed to impart academic guidance to the students.

Placement Cell

With an intention of “Offer Job” after B.Tech, the college placement cell is working hard to make contact with companies and training students in job hunting within the limited span of time and tight academic schedule. We are also proud to announce that a remarkable percentage of our students got placed within and outside Kerala in reputed firms.

Scholarships

Our College provides free Engineering Education for meritorious students.

- (a) Students with 90% and above marks in Physics, Chemistry and Mathematics are completely exempted from paying tuition fee.
- (b) Students with 80% above marks need to pay only 50% tuition fee.

K.R.GOURI AMMA
COLLEGE OF ENGINEERING

Our Facilities

Criteria of Eligibility for Admission

Candidates who have passed Higher Secondary Examination, Kerala or Examinations recognized as equaling thereto with 50% marks in Mathematic Separately and 50% marks in Physics, Chemistry & Mathematics put together. Candidate belonging to socially and economically backward classes with a total annual family income not exceeding Rs. 4.5 lakhs are eligible for relaxation of 5% marks in the Qualifying Examination. The Scheduled Castes and Scheduled Tribes Candidates need only a pass in the Qualifying Examinations.

Admission under the Management Quota is based on the score at the Common Entrance Examination conducted by the Commissioner for Entrance Examination and the Marks scored for Physics, Chemistry and Mathematics in Plus Two examinations. 50% seats are set apart for allotment by the Government. NRI Seats are also available.

SNGM ARTS & SCIENCE COLLEGE

(Affiliated to the University of Kerala)

Ph : 0478 2560 703

The SNGM Arts & Science College came in to existence in 2006, by the Sree Narayana Guru Memorial Educational And Cultural Trust, Thuravoor , Cherthala, Alappuzha (Dist), Which is currently functions as a unit of the Sree Gokulam Group of Institutions.

The college is situated in the SNGM campus that houses a wide range of educational institutions. The variety provided by such a multi disciplinary campus adds to the loveliness and colour of student life and later to the needs of quality and range of their educational experiences.

OUR MISSION

To build up global leaders empowered by knowledge committed to service, championing the cause of women and the marginalized

OUR MISSION

To become a centre of excellence and a catalyst in the wholesome ,integrated development of youth with international standards, equipped to serve the society

AIMS OF THE COLLEGE

- To promote alliance with academic institutions
- To aid students through mentoring
- To champion the cause of women
- To strengthen stake holder relationship

- **Mark list of the Qualifying Examination**
- **T.C and Conduct Certificate from the institution last studied**
- **Eligibility from the Kerala University by the candidates who has studied outside the state of Kerala**
- **Five copies of the passport size photograph of the candidate**
- **Other documents if any**

SREE NARAYANA GURU MEMORIAL CATERING COLLEGE

Approved by the AICTE, New Delhi and
Affiliated to the Kerala University

Ph : 0478 2560 704, 9497 27 51 27

The SNGM Catering college, a provider of University level education, an institute of hospitality approved by the AICTE, New Delhi and affiliated to the Kerala University. We are a dynamic fast growing educational institution that recognizes our strategic location in Cherthala, Alappuzha.

CAMPUS

A professional campus that blends beauty with contemporary facilities, modern technologies, a space you need to discover yourself and your ability to make a difference in the world.

SCOPE AND PROSPECTS OF THE COURSE

A very wide and promising field with the growth of hotel industry and propelled by tourism. Its scope is not only limited within the country but also provide excellent opportunities for a career abroad.

ELIGIBILITY CRITERIA

A pass in Plus Two or an equivalent qualification is the criterion of eligibility required to be fulfilled for an aspiring candidate to pursue the Bachelor of Hotel Management course.

SELECTION MODE

As per the norms of the Kerala University relating to the BHM admissions and through an entrance examination conducted by the university for selecting the candidates of BHMCT admission.

FACULTIES

With excellent academic credentials, many faculty members also enjoyed successful careers in hospitality management and related subjects. They do not just focus on imparting knowledge; they engender an environment of loyalty, ethics and humility in which students perfect their soft skills and professionalism.

APPLICATION FORM

Application form can be obtained from the college office on payment of Rs.250/- or a money order of Rs.300/- in favor to the college address can help you to reach it to you.

COURSES OFFERED

Bachelor in Hotel Management & Catering Technology (BHM)

(A Four year degree course consisting of eight semesters)

(Approved by the AICTE and affiliated to the Kerala University)

A program designed to train the students at managerial levels in the principles and practices of Hotel Management.

BASIC TRAINING KITCHEN

The first year students learn the basics of culinary art. The kitchen is fully equipped with modern appliances to introduce the art of cookery to students.

QUANTITY TRAINING KITCHEN & BAKERY

The Quantity Training Kitchen prepares and moulds the students to face the challenges of cooking in bulk quantities during practicals.

ADVANCED TRAINING KITCHEN

Having mastered with the basics, the students then moves on to specialization. This kitchen is specially designed to meet the needs of Japanese, Mexican, Thai and Chinese Cuisine.

FOOD AND BEVERAGE SERVICE LAB

A Laboratory experience for enhancing students skills in effective food and beverage service. Emphasis is placed on practical experiences.

HOUSE KEEPING LAB

The House Keeping Lab is equipped with the most modern equipment & guest supplies, chemicals, adhesive, Linen etc... required for housekeeping and other related jobs.

FRONT OFFICE LAB

The Front Office Lab is specially designed to replicate an actual lobby of a star hotel. Here the students are trained for receiving information, billing, handling reservations, guest registration and guest relation.

COMPUTER LAB

Computer Lab is a home to a plethora of upgraded computer systems. Here the students are taught the use of latest information technologies in day management.

Our Facilities

LIBRARY

An academic library forms an integral part of a college. It is a very popular place and magnificent for students to work. A collection of sources of information and similar resources makes it a perfect spot for studies.

HOSTEL

Separate hostel facilities are available for boys and girls. The hostel provides accommodation and nutritious food for all students.

A Unit Of
SREE
GOKULAM
GROUP OF EDUCATIONAL INSTITUTIONS

SNGM
CENTRAL SCHOOL
Affiliated to CBSE , New Delhi No : 930596
Ph : 0478 2560 706, 9446 91 73 76

We are a school that prides itself not only in fostering academic excellence but also in making our learners spend at school, satisfying, fulfilling and joyous moments. These formative years should be remembered by our children throughout their lives. As a school, we firmly believe that education should be for life, not just for a living. Education should serve not only to develop one's intelligence and skills but also help broaden one's outlook and make a person useful and to the world at large.

OUR MISSION

Our mission is to aspire to be a school where students are given a complete, well balanced education which enables them to realize their potential. The school aims not just to create another face in the crowd, but to nurture each student into developing a personality which who has the resolve to do the nation Pride, Love, Tolerance, Brotherhood, Humanity, Patriotism, Sensitivity to the environment, Nationalism and courage.

ACADEMICS

The school is affiliated to CBSE NEW DELHI and the medium of instruction is English. Education at our school is a combination of participation and interaction which makes learning meaningful and enjoyable. Home assignments are not a carryover of class work but oriented towards enhancing individual talents. To enhance general knowledge and personality development, Quiz Competition, lectures, Public Speaking and enough discussion are also arranged periodically.

GAMES & SPORTS

The SNGM lays great emphasis on sports and games, which gives regular and ample timing to children for their mental and physical fitness. The school has a large-playground, and is provided with all facilities for Sports and games such as Cricket, Football, etc.

PLAY CLASSES & KINDERGARTEN

Education means preparing the citizens of tomorrow. These future citizens take up their career under the guidance of learned. They are taught according to the aptitude and flair they possess. The renovation of Kindergarten is progressing, which will be completed very shortly. Our aim is that small kids can be educated in an informal way through play-way method with the help of modern aids to develop their talents and help them bloom into self-reliant individuals.

PRIMARY TO SENIOR SECONDARY CLASSES.

Formal education is introduced using the NCERT syllabus. Arts, crafts, club activities, music, computers and dance are part of the curriculum. The main emphasis is to enable the child to expose himself orally as well as in writing. The students are taught in all aspects of life. The most important fact emphasized is that the student are made to learn them before practicing them. Practical training and demonstrations will be given in all possible areas and special attention will be given in identifying the talents of the students.

Courses offered for Senior Secondary are :-

Science Stream English Core

1. Physics, Chemistry, Biology & Malayalam
2. Physics, Chemistry, Mathematics & Computer Science
3. Accountancy, Business Studies Economics & Informatics Practices.
4. Economics, Political Science, History, Geography.

ACTIVITIES

- Student Council
- Houses indicating a spirit of competition and leadership.
- Dramatics, Quiz etc.
- Inter-School and Intra-School competitions.
- Social works.

Our Facilities

FACULTY MEMBERS

Our faculty members, with their diverse educational and personal background, make the campus a rich variety of knowledge and experience. They contribute, the global awareness and a healthy educational environment. The teachers keep their commitment to the students, that stretches from classroom to game field, and in between they share the joy of a child, who has worked hard to complete a project and experienced the pain of teamwork. They know when to listen, when to seek advice, and when to simply give the children time to sort through things on their own. They are determined, dedicated and demonstrative.

COMPUTER FACILITY

The school has a well prepared and fully equipped computer lab with 35 computers with Internet facility. Computer education is given from Pre - Primary level onwards.

VOCATIONAL GUIDANCE & COUNSELLING

Destiny is being shaped in the class rooms. Our citizens must take up careers for which they have a flair. Most students are unaware of the various career options available to them. A guidance commonly emphasizes life- skills, study skills and decision- making processes. Professionals are invited from diverse fields and spheres of life to break the concept of carriers, and help the students to develop a realistic assessment available and immersing vocational attentives.
